THE CRAFTSMAN'S ART

Create, the story of a trade, values and know-how.

Girona had never been a land of furniture, but a land of tanneries and leather, and Banyoles was a landmark in this field. In the early 1970s, one of the most important tanneries in the city came up with a new, very ambitious project: to manufacture upholstered furniture with its own product. After a great search, the company managed to gather a group of craftsmen from all over the world and send them to England to learn the secrets of the craft.

Create, founded more than 40 years ago by the master upholsterers who emerged from that first batch, is the heir to this initiative. Specialised in English furniture upholstered in leather, Create has developed over the years, with design and quality at the heart of all its creations.

Create Collections is the response to the passage to the new generations, who have kept the same roots without moving from the area. A young, dynamic company, where design and innovation are part of the day to day and where every challenge is transformed into a solution.

Create Collections thrills with its proposals, its design and its quality while also adding value to the space to which they are intended.

Create, l'histoire d'un métier, de valeurs, et d'un savoir-faire.

Girona n'a jamais été une terre de fabrication de meubles, mais une terre de tanneries et de peau, et la ville de Banyoles était une référence dans le secteur. Au début des années 70, une des tanneries les plus importantes de la ville a envisagé un nouveau projet ambitieux : fabriquer du mobilier tapissé avec ses produits. Après une minutieuse recherche, elle a rassemblé un groupe d'artisans venus de tout le pays pour les former ensuite en Angleterre dans le but d'apprendre les secrets du métier.

Create, qui a été fondé il y a plus de 40 ans par les Maîtres Tapissiers qui ont émergé de cette première fournée, est l'héritage de cette initiative. Spécialisé dans la fabrication de mobilier anglais tapissé en cuir, Create a évolué au fil des années avec le design et la qualité comme identité pour ces créations.

Create Collections est la réponse aux nouvelles générations qui ont conservé les mêmes racines sans changer de territoire. C'est une entreprise jeune et dynamique, dont le design et l'innovation font partie intégrante du quotidien, parvenant à transformer chaque défi en solution.

Create Collections émeut grâce à ses propositions, au design, et à la qualité, car elle ajoute une valeur dans l'espace où ils sont destinées.

Create, la historia de un oficio, de unos valores y de un saber hacer.

Girona nunca había sido tierra de fabricación de muebles, sino de curtidurías y de pieles, y Banyoles se consolidó como un referente en la materia. A principios de los setenta, una de las curtidurías más importantes de la ciudad ideó un nuevo proyecto, muy ambicioso: fabricar muebles tapizados con su producto. Después de una minuciosa búsqueda, logró reunir un grupo de artesanos del país y llevarlos a Inglaterra, para aprender los secretos del oficio.

Create, fundada hace más de cuarenta años por los maestros tapiceros surgidos de aquella primera hornada, es heredera de esta iniciativa; especializada en mueble inglés tapizado en piel. Create ha evolucionado a lo largo de los años, manteniendo el diseño y la calidad como seña de identidad en todas sus creaciones.

Create Collections es la respuesta de las nuevas generaciones, que han conservado las mismas raíces sin moverse del territorio. Es una empresa joven y dinámica, donde el diseño y la innovación forman parte del día a día, consiguiendo transformar cada reto en una solución.

Create Collections emociona con sus propuestas, el diseño y la calidad, porque siempre añaden valor al espacio al que se destinan.
